 “James has the readers wrapped around her little finger and eager to devour every single word...(and) readers willing to explore Marcia James’ lusty, steamy thriller will find themselves...um...satisfied.” -- Tampa Book Buzz

 “Ms. James has a way of heating up the pages and keeping the reader on the edge of their seat. Her subtle humor is dead on. The characters are jump-off-the-page real, flaws and all. Ms. James does such a great job at times her hysterically funny secondary characters almost steal the show. I'll be keeping an eye out for more books by Marcia James.” -- author Paige Cuccaro, www.PaigeCuccaro.com

 “Filled with page-turning mystery, sizzling sexual tension, and wacky fun, **Sex and the Single Therapist** is the perfect summer read.” -- B&N Rock*It Reads

 “This is romantic comedy at its best. The author has a fun voice and the pacing is quick and satisfying. The characters are fun and they have immediate chemistry. If you like romantic comedies with a mystery/suspense twist, then ***Sex and the Single Therapist*** by Marcia James will be a fun summer read for you!” -- Sheila Clover, Reader’s Entertainment

 “Quirky and interesting characters caught up in a bizarre murder make [***Sex and the Single Therapist***] a light and seriously fun read. The mystery is complicated and the solution not obvious, but it's the cast that really brings this story to life. Allie and Zach are both engaging, and the minor characters are well defined. Even one particular canine who plays a significant part in solving the crime has his own delightful personality. If you like a bit of humor in your romantic mystery, you won't be disappointed.” -- author Karen McCullough, www.KMcCullough.com

 “Marcia James’ ***Heating Up The Holidays*** serves up a dish of romance and second chances with panache! Full of sass and fun, this heart-warmer guarantees heat like flannel sheets on a cold winter night.” -- 4 Stars, The Romance Reviews

 “[***Heating Up The Holidays***] is a great little holiday truffle.” -- Jayne, Dear Author

 “***Heating Up the Holidays*** is...a fine read.” -- Mrs. Giggles

 “Marcia James’s story, ***Rescue Me*** was very well written. I’m impressed because her story is great [and] because she made me like cresties. If you’ve ever seen the ugliest dog contest pictures, you’d know why that’s surprising.” -- The Good, the Bad, & the Unread Reviews

 “[***At Her Command***]...An intriguing look at the world of S&M, integrated with an interesting plot and two romances, this story has nice character development. The informative...S&M scenes are handled with class.” -- 4 Stars – Susan Mobley, RT Book Reviews

 “Marcia James writes characters that draw you in and have you rooting for them from the start. ***At Her Command*** was...simply fun, and James is definitely going on my must read list!!” -- Joyfully Reviewed

 “This is a romantic suspense that is written with a wry comedic slant. We have two different agencies that haven't a clue they're in each other's stakeouts. It makes for very interesting dynamics, especially when the volatile chemistry between Dominique and Dalton is flipped a hundred and eighty degrees from their actual tendencies. ***At Her Command*** is a very entertaining read.” – Maîtresse, Novelspot
